

SQSA Parade Team Skating

It's time to sign up for the SQSA Parade 2011/2012 Skating Teams! Teams will emphasize social and competitive skating and will perform/compete at the Snow Daze Winter Exhibition, Spring Ice Show, Blades of March and at least one other ISI competition.

Practices will be held on Tuesdays from 6:30-7:45 September 6 through February 28 with additional Ice Show practices in April (to be determined.) Depending on team assignments, each skater will likely practice every other week. (No practices: Nov 22, Dec 27 or Feb 14.)

Participating Skaters will be on two teams: An "Ensemble" small team and "Production" large team and will be assigned based on skating level, ability and coach's discretion. There will be NO restrictions on testing to a new level while on the teams.

Fee is \$365 per skater for the season, plus costume fees of \$130 (two costumes) payable in installments (see below).

- Fees Include:
- Participation on two teams
 - Practice Ice time
 - Coaching and choreography fees
 - Snow Daze Exhibition fee
 - Registration fees for Blades of March
 - Registration fees for Ice Show group numbers (normally \$100+ per skater, per number, including costume)

Additional charge of \$28.00 per skater per additional competition entered (at discretion of coaches). Possible competitions would be White Bear Lake (December), Blizzard Blast in Plymouth (January), Frosty Blades in Blaine (February).
